REPORT

Anti-Corruption Week – Declamation Competition

Date: 24 November 2026
Venue: Video Conference Room, IMSciences, Peshawar
Organised by: Debating Society, IMSciences
In Collaboration with: National Accountability Bureau (NAB)

Event Overview

The Debating Society of the Institute of Management Sciences (IMSciences), Peshawar, organised an English and Urdu Declamation Competition on 24 November 2026 in collaboration with the National Accountability Bureau (NAB) as part of the observance of **Anti-Corruption Week**.

The competition aimed to raise awareness among students about the detrimental effects of corruption on society, institutions, and national development. It provided a platform for students to express their views, demonstrate their public-speaking abilities, and highlight the importance of honesty, integrity, accountability, and transparency in building a just and responsible society.

Activities and Participation

Students enthusiastically participated in the competition, delivering thought-provoking speeches in both English and Urdu. Through their speeches, participants highlighted various dimensions of corruption, including its social, economic, political, and institutional consequences. They also emphasised the role of young people in promoting ethical values, rejecting corrupt practices, and contributing towards a transparent and accountable society.

The competition encouraged critical thinking, confidence, effective communication, and responsible citizenship among students. The collaboration with NAB further reinforced the significance of institutional and individual efforts in combating corruption.

Awards and Recognition

The winners of the declamation competition were recognised for their outstanding performances and were presented with **shields and certificates** in appreciation of their talent, confidence, and effective delivery. The awards served as encouragement for students to continue participating in intellectual and co-curricular activities.

Conclusion

The event successfully contributed to the objectives of Anti-Corruption Week by engaging students in meaningful discussions on ethical responsibility and the importance of a corruption-free society. The collaboration between IMSciences and NAB provided students with an opportunity to connect their academic and communication skills with an important national cause.

The Debating Society remains committed to organising activities that promote critical thinking, civic responsibility, leadership, and positive social values among students.
