

Iqrar ul Hasan visits IMSciences

The Student Development Initiative Club, IMSciences arranged for Mr. Iqrar ul Hasan's visit to IMSciences. The popular television presenter was warmly welcomed by Mr. Hassan Mustafa and Mr. Ali Abdullah. The purpose of his visit was to encourage youth to take active part in nation building. Mr. Iqrar talked about his personal experiences with people who actually wish to do something good for Pakistan. He said that the recipe for having a prosperous Pakistan is for us to show ownership of our country, just like we show it for our homes. Until we start showing ownership of our own country, we cannot expect to see a prospering Pakistan.

Mr. Iqrar stressed on the need for people to incline towards their better sides and do good, not only for themselves but for the people around them. Even a small good thing can leave a huge positive impact sometimes.

A question and answer session followed Mr. Iqrar's talk. Students presented him with interesting and open-minded questions. One of the questions asked from Mr. Iqrar was why the Sar-e-Aam team never went and explored the notoriety that is rampant in FATA region. He said that is in the pipeline and a team is being made ready to visit FATA and expose any mal activities taking place there.

In the end, Mr. Iqrar was presented with a shield as a token of appreciation for his visit to IMSciences, Peshawar and engaging the students in a healthy discussion.
