

Peace Week celebrated at IMSciences

Peace Week (Day 1)

The Art & Culture Society, IMSciences initiated a peace week on Monday, 24 September 2018. The event was inaugurated by Joint Director, Dr. Usman Ghani. The first day witnessed an art competition and painting exhibition by the students. The week-long event is intended to celebrate the International Day of Peace i.e. 21st of September.

Taking into consideration the idea behind the day, different activities have been planned for the entire week devoted to celebrating International Day of Peace. These activities include Painting, Peace talks, seminars of peace, showing a documentary and finally a peace walk.

Peace Week (Day 2)

Today's session was about spreading peace in society.

The guest speaker was Ms. Gulalai Ismail, a social activist, human rights worker and peace activist. She gave brilliant ideas, talking about peace and how to spread it in society.

Honourable faculty member Mr. Zafar Habib presented Ms. Gulalai with a shield on behalf of IMSciences.

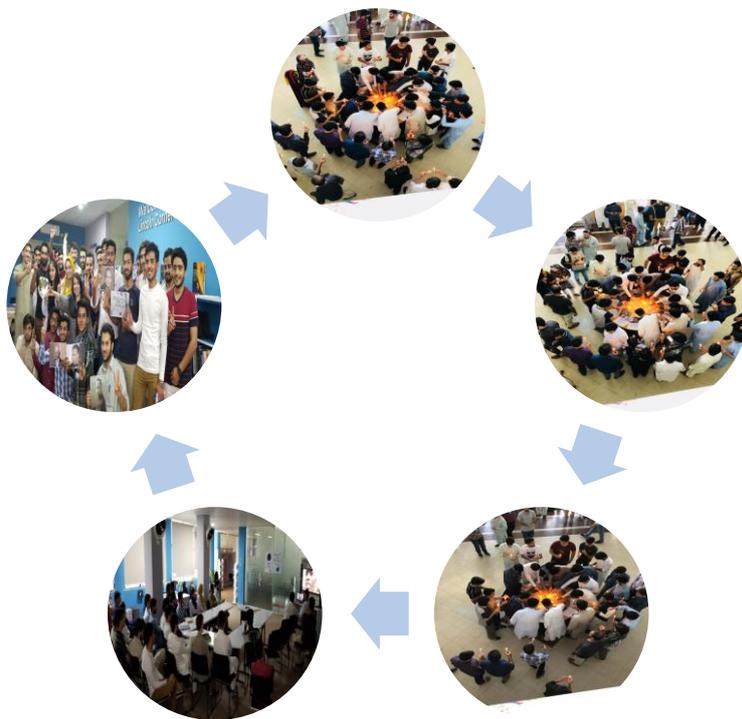

Peace Week (Day 3)

A seminar was devoted to the third day of Peace Week. The Seminar revolved around the importance of global peace and how little contributions from all of us could help achieve it. All the attendees at the seminar gave their opinion on the topic as to how we can achieve global peace.

Peace Week (Day 4)

A documentary was played on the second last day of the peace week, which paid tribute to different Peace Leaders of the world such as Martin Luther King, Muhammad Ali and Nelson Mandela among others. A number of students then reached the academic building's main lobby and paid tribute to these leaders by observing one minute silence in the campus.

Peace Week (Day 5)

Today marked the last day of IMSciences Peace Week celebrations. Students, faculty members and Director IMSciences, Dr. Muhammad Mohsin Khan walked around the campus carrying charts and banners that contained messages of peace.

The Director also made an address where he stressed on the need for peace, both locally and globally.
