

IMSciences, Peshawar holds meeting with Project Management & Technical Committee (PMTTC)

IMSciences, Peshawar held its sixth meeting of the Project Management & Technical Committee (PMTTC), chaired by Director IMSciences, Dr. Muhammad Mohsin Khan. The committee had been especially constituted for seeking guidance in the execution and implementation of a Higher Education Commission (HEC) funded project, “Enhancement of Infrastructure at IMSciences, Peshawar”, awarded in the January, 2014.

Mr. Abdul Waheed Khan; Senior Planning Officer, Transport Department, Government of Khyber Pakhtunkhwa, Mr. Rizwan Ahmad; Director P&D, University of Agriculture, Peshawar, and Engr. Muhammad Siddiq; Director Works, UET Peshawar attended the meeting as external members of the committee. The meeting was one of its kind as it was arranged in the aftermath of successful completion of the project. Dr. Muhammad Mohsin Khan thanked the committee for regularly providing unhindered guidance to the project implementation team during the course of its implementation. It played a vital role in achieving the entire scope as well as successful completion of the project.
