### **IMSciences Scholarships / Financial Aid** **MBA (1.5 Years), MS and Ph. D Session 2018-2021**

Keeping in view the expectations of the financially needy but talented applicants of the region, IMSciences is rigorously working alongside international development organizations, corporate sector and donor agencies to provide equal higher education opportunities to the marginalized communities of FATA and Khyber Pakhtunkhwa specifically and the country at large.

Last year, IMSciences has funded a significant number of students who were facing financial constraints and were unable to continue their higher education. In Financial Year 2016-2017, 68.21 % students of the total strength have been provided financial support worth Rs. 180.52/- Million, in 30 different need and merit based scholarship programs, interest free student loans, siblings fee rebate, work study programs and global cultural exchange programs. A total of 1910 students have availed financial assistance under these programs on financial need and merit basis.

The following is the details of all financial aid / scholarship programs which are available for MBA 1.5 Years, MS and Ph. D studies at IMSciences for the needy and talented students.

#### **PAK - USAID Fully Funded Need Based Merit Scholarships for MBA (1.5 Years) / MBA Islamic Banking & Takaful (1.5 Years) and MS Management (1.5 Years)**

This need based merit scholarship program covers full tuition fee and monthly stipend (accommodation, books, travelling and incidentals) in the whole duration of 1.5 years, with subject to satisfactory academic performance. Students from marginalized and less developed areas such as Karak, Swabi, Charsadda, districts in Peshawar outskirts, D.I. Khan, Lakki Marwat, FATA Agencies and Frontier Regions, Malakand Division, Gilgit & Baltistan and the whole country at large, are encouraged to apply. 50 % scholarship seats are reserved for female students.

#### **Prime Minister's Tuition Fee Reimbursement Scheme for Masters / MS and Ph. D Students of Less Developed Areas**

The Federal Government, in move to support the educational sector of less developed areas, provides 100% tuition fee, registration charges, admission charges and other approved on/off mandatory charges to the following eligible areas' students in Masters / MS / PhD Degree Programs. Under this scheme, IMSciences facilitated more than 2000 students so far. The scheme is focused on enhancing opportunities for access to higher education especially to talented but financially constrained students belonging to remote and far flung areas of the country who despite possessing academic merit, are unable to finance their education. The fee disbursement would be ensured through a transparent and well defined mechanism.

#### **IMSciences Trust Semester Wise Merit Scholarships**

These scholarships are purely based on merit and are granted to the most intelligent students of IMSciences who demonstrate their intellectual capabilities and achieve the maximum GPA in each Semester. This scholarship awards amounting Rs. 10,000/- per head are granted in all sections of all Graduate and Ph. D Level Programs in every semester.

### **Dr. Hidayatullah Need Based Merit Scholarships**

This scholarship program is established and funded by the faculty and staff members of IMSciences for the benefit of those financially needy students who face financial hindrances / family accidents or tragedies in the middle or final stages of their study program. Under this financial aid program, IMSciences has successfully facilitated a total of ninety three (93) such students with financial impact of Rs. 4,029,350/-, from different disciplines and backgrounds for the completion of their higher education studies in IMSciences.

### **IMSciences Brother Sister Fee Rebate**

Through this programme, IMSciences offers 50% fee rebate to students if their brother/sister study at IMSciences. A total of 110 students were awarded fee rebate during Financial Year 2016-2017.

### **Workers Welfare Board Directorate of Education Khyber Pakhtunkhwa Scholarship Program for All Study Programs (MBA 1.5, MS / MS and Ph. D)**

This program is administered by Workers Welfare Board, Directorate of Education Khyber Pakhtunkhwa for the benefit of those students whose parents are registered labor employees in industrial sector of Khyber Pakhtunkhwa and other provinces boards. The scholarship covers full tuition fee support and other charges including transport, accommodation, library and computer lab charges.

### **Frontier Education Foundation Scholarship Program for Graduate Level**

With cooperation of Frontier Education Foundation, Govt of Khyber Pakhtunkhwa these scholarships are on the basis of merit-cum-in affordability. In Financial year 2016-2017, FEF provided a total of eight (8) scholarships to IMSciences students. The grant provides Rs. 100,000/- per annum for tuition fee support. The award is renewable in 2<sup>nd</sup> year on the basis of satisfactory academic performance. This scholarship scheme is available for all the two years graduate level programs, with subject to donor official announcement. Only KP domiciled applicants are eligible to apply. 50 % scholarship seats are reserved for female students.

### **Ihsan Trust Financial Assistance Program for Higher Education: QARZ-E-HASNA (Interest Free Loan) for All Study Programs**

One of the major focuses of the trust is to provide Qarz-e-Hasna (Interest free loan) for Education to the needy and deserving students of major and leading universities of Pakistan. Through this scheme the Ihsan Trust bears the educational expenses of the students on purely "Need cum Merit" basis in order to enable them to complete their Higher Education. During the study period, the student has to pay a nominal, token repayment amount on monthly basis (depending upon the financial position of the candidates, his/her parents/guardians monthly income) to the Ihsan Trust as repayment.

After completion of the degree program, the repayment amount for the Qarz-e-Hasna is to be adjusted according to the income of the beneficiary. For further details please visit

**THE KAMRAN EDUCATIONAL FOUNDATION**  
100% Volunteer based non-profit organization with all Management and Operational Expenses covered by Kamran Family.  
100% of Donations go to Needy & Orphans Students.

The mission of the Kamran Educational Foundation is to

help the poor people in Pakistan directly and to help them acquire the tools and skills to help themselves. IMSciences has proudly signed an MoU with the generous foundation and has facilitated a noticeable number of 30 students with equal amount of Rs. 30,000/- per head, who faced financial hurdles in their educational endeavors. To further this objective and to provide direct aid to the needy, IMSciences along with the Kamran Educational Foundation will continue to focus on its existing efforts to identify and offer scholarships to bright but in-need-of-assistance students. For further details please visit: <http://www.kamraneducationalfoundation.org/scholarship>

### **The Scottish Scholarship Program for Pakistani Women in Information Technology and Computer Science**

The Pakistan Scottish Scholarship Scheme is a grant funded by the Scottish Government under the supervision of British Council Pakistan, specifically in order to create opportunities for young women in Pakistan to be able to pursue higher education at the post-graduate level. The scholarship scheme is specially design for female Pakistani students for master level education (maximum two years duration). IMSciences has proudly signed an MoU with the British Council Pakistan under this program, and in Financial Year 2017-2018, a total of 4 students have been awarded these valuable scholarships.
