### **IMSciences Participates in Jang Expo 2014**

IMSciences participates in the Education Expo 2014; Organized by the Jang group of newspapers at Peshawar Club on May 28<sup>th</sup>, 2014 where more than thirty six Education Institutes from all over the country participated. With an array of colorful banners and posters displayed at every corner of the hall, each institute promoted and marketed itself at their specified stalls. Mr. Babar Jamil, lecturer along with Umair Aziz Siddiqui, Assistant Manager-Advancement & Development, Mr. Khan Rehman, IT department gathered a group of competent students that represented IMSciences at the allotted stall. Later in the afternoon the Director of IMSciences, Dr. Muhammad Mohsin Khan, paid a visit to the stall to encourage the team and support the Institute. The eight hour event lasted till about 5 pm.

The stall set up by IMSciences was a significant attention-grabber. The students at the stall were busy all day as multiple groups would stop over and inquire about IMSciences. Keen interest was expressed by masses in the upcoming admissions of the Undergraduate Programs. Each person visiting the stall was given a complementary handbag; containing a prospectus, the newsletter, pamphlets and the IMSciences Annual Report. Mr. Babar Jamil received the shield from the chief guest of the event Mr. Rahimullah Yousafzai, Editor in Chief, The News Peshawar on for and on behalf of IMSciences.

The team of students and interns from IMSciences at the stall included Mr. Shehroze, Miss. Farangiz Azam, Miss. Sher Bano, Mr. Jannat Gul, Mr. Azhar Iqbal, Mr. Saifullah and Mr. Saeed ur Rehman helped set up the stall by posting banners and setting up pan flex. Mr. Khan Rahman helped set up the multimedia and other electronic devices at the stall. The students not only explained details related to the IMScieces, they also gave interviews to News channels like Dunya TV, DAWN and others where they talked about the event and the institute itself. The student participants from the institute also participated in other activities such as quizzes, role-plays, tongue twisters and earned appreciation for the institute, They were awarded certificates of appreciation on the occasion.

The Expo was useful in providing prospective students an opportunity to assess the pros and cons of different universities at one platform. This will help them make a decision as in which university or college to opt for. With many people showing interest in the Programmes offered at IMSciences, we expect to get great responses for the future admissions.
