IMSciences Students Help in Collecting Blood Samples

A group of three students headed by Mr. Taimur Ali Khan, BBA, 8th semester, Group E was funded by Stanley Foods and Pharmaceuticals to visit the Government Primary School No.1, located in Phase-1, Hayatabad, Peshawar on Thursday April 11, 2013. The purpose of visit was to collect blood samples, in order to inform students about their blood groups so as they can tackle any emergency situation amicably.
