BELLESOMA METHOD SCHOLARSHIP
Award of \$ 1000/-

The Bellesoma Method Scholarship was created so students can have some assistance with their college or university expenses. College is not only a necessity to ensuring that you have a profitable career, but it is also expensive to get the degree you need.

This scholarship is available to all students who have a goal of going to college but lack the resources to cover the costs. To be considered for this scholarship you will need to write a 500-word essay answering a simple question – there is no right or wrong answer. A member of our staff will select a winner in November 2018. This winner will receive \$1000 towards their education.

Eligibility:

You are eligible to receive the Bellesoma Method Scholarship if you meet one of the below requirements.

- A high school senior that has already been accepted into a college or university.
- A current student that isn't in their last year at their current college or university.

Guidelines:

To be considered for this scholarship you need to write a 500-word essay answering the following question:

“What technological advancements can change the medical profession?”

Winner Selection:

The winner will be selected in November 2018. The winner will be contacted by December 2018 and will have two weeks to respond before another winner is selected.
