

Internship Opportunity at ORIC

The Office of Research, Innovation and Commercialization (ORIC), IMSciences was established in 2011 to encourage and promote meaningful research by faculty and students and to build linkages between industry, civil society and academia.

Currently, internship opportunities are available at the ORIC, IMSciences for graduates, with at least 16 years education, who are passionate to grow and improve their skills while working in a diverse environment.

Some perks for the selected Internees:

- Fixed stipend.
- Internship certificate on completion of internships.
- Networking and Establishing Mentors and References.
- Valuable experience and an opportunity to work in diversified organization.

Some key responsibilities are assisting the Director, ORIC in following areas:

- Management of research activities and documentation.
- Industrial linkages.
- Liaison with HEC & other funding agencies.
- Event Management.

The Internship will be initially for a period of 3 months, extendable on satisfactory performance.

Interested candidate may send their C.V along with covering letter to ORIC, IMSciences (2nd Floor) on or before **25th March 2019**.
