

Institute of Management Sciences Organized Seminar on Career Orientation and Development

The Career Development Center IMSciences Peshawar organized a seminar on “Career Orientation & Development” at IMSciences on May 19th, 2014. The seminar aimed to address career related issues faced by the students and graduates of the institute. The seminar comprised of two sessions mainly focused on helping the participants with CV writing skills, preparation for a job interview and important points for fresh graduates to keep in mind before approaching or entering the job market. Mr. Muhammad Zubair, Project Coordinator/ Functional Consultant on USAID-Power Distribution program and Dr. Sajid Farooq, Phd in computer programming from University of Glasgow/ CEO of Raed Entertainment Islamabad were the guest speakers of the seminar. The sessions were highly informative and interactive. Both speakers shared their extensive experience in the job market on the receiving as well delivering end. The students were indulged in the theoretical and practical aspects of the topics under discussion. A total of 109 students attended the seminar. Dr. Muhammad Mohsin Khan, Director IMSciences presented shields to the guest speakers at the end of the program.
