

IMSciences conducts Tree Plantation Drive

IMSciences, Peshawar conducted a tree plantation drive in order to encourage the society to plant more and more trees. It was a very significant step taken by the Institute considering the critical climatic conditions not only in Pakistan, but the world over.

Mr. Tariq Jamali, President National Bank of Pakistan (NBP); Mr. Shaukat Mehmood Khattak, Group Head Service Quality Group NBP, and Ms. Saima Rahim from NBP visited IMSciences on the occasion. Mr. Tariq Jamali planted a tree in the main lawn of IMSciences, initiating the tree plantation drive. Director IMSciences, Dr. Muhammad Mohsin Khan also planted a tree for the drive.

IMSciences, as a higher educational Institute, takes the idea of corporate social responsibility very seriously. It therefore takes steps to not only benefit the society financially by grooming business professionals, but actively takes part in building the social fabric of the society.
