

IMSciences employees get bikes on easy instalments

In an ongoing progression into the MoU signed between IMSciences and Khushali Bank, a ceremony took place at IMSciences on Thursday, whereby employees of IMSciences availed Honda bikes on easy instalments. As per the MoU, IMSciences' employees are able to purchase Honda bikes, including 70 CC and 125 CC bikes, without any down payment whatsoever. In future, the same scheme is planned to be made available on 150 CC Honda bikes for IMSciences' employees. Furthermore, retired employees of the Institute can also avail this opportunity.

The Chief Guests of the ceremony was Mr. Qareemullah, Honda Area Manager. Mr. Qareemullah addressed the attendees at the ceremony and reflected on the utility this scheme was providing for people who would otherwise find it difficult to purchase motorcycles.

Following Mr. Qareemullah's address, a motorcycle key distribution ceremony took place among IMSciences' employees who had availed the scheme's offer. The keys were distributed by Mr. Qareemullah, Dr. Iftikhar-ul-Amin; Deputy Director IMSciences, Dr. Karimullah, Dr. Arif and Dr. Javed Iqbal, all faculty members of IMSciences.
