

Observance of Kashmir Solidarity Day

Kashmir Solidarity Day was observed today in the Main Lobby of IMSciences. The event was arranged by the Art & Culture Society of the Institute. The Director IMSciences, Dr. Mohammad Mohsin Khan, faculty members and students paid tribute to the Kashmiri martyrs by lighting up candles and maintaining one minute silence in respect of all those innocent Kashmiris who have sacrificed their lives for the freedom of occupied Kashmir.

In compliance with the notification of HEC, a series of such Events is chalked out, to show support to the people of Kashmir and to raise voice against flagrant Human Rights violation in Indian occupied Kashmir, till India revokes constitutional amendments.

The motive is to show the rest of the World that the people of Pakistan stand by their Kashmiri brethren in these difficult times.
