

SECP GTO Program Orientation Session

The Career Development Center (CDC) at the Institute of Management Sciences hosted an orientation session for the SECP Pakistan GTO Program. Mr. Saqib Aslam, Deputy Registrar at SECP's Peshawar office, visited IMSciences and addressed final-year students from the BS Economics and Management Sciences programs, as well as recent graduates.

During the session, Mr. Saqib Aslam provided an overview of the GTO program, explaining its application process, the various work areas it covers, and the perks and benefits it offers to young placements. He also engaged with students, addressing their questions and concerns at the end of his presentation.
