

Press Release

The Blood Donation Camp organized on October 2nd, 2024, by the Institute of Management Sciences (IMSciences) Peshawar in collaboration with the Alkhidmat Thalassemia Blood Donation Center was a remarkable success. Led by Dr. Owais Mufti, head of the IMS Health and Wellness Club, and with support from society members, the event saw an impressive turnout. The team from Alkhidmat, sent by Dr. Naveed Sharif (HOD) supported by Mr. Nisar and his team worked seamlessly with the IMSciences community.

In a single day, the students collected an outstanding **91 blood bags**, a testament to their dedication to humanitarian causes and community service. Each donor will be awarded a certificate of recognition and undergo vital health screenings, including tests for Hepatitis B and C (HBV, HCV), HIV, syphilis (VDRL), malaria (MP), and blood group typing. This initiative not only contributed to saving lives but also raised health awareness among the participants.
