

Report on Peace Week Organized by the Art & Culture Society of IMSciences

The Art & Culture Society of IMSciences successfully organized a four-day event titled **Peace Week** from **24th to 27th September 2024** at the IMSciences campus. The initiative aimed to foster unity, harmony, and create awareness about the significance of peace both at national and international levels. This event included a variety of activities such as a seminar, an exhibition, a peace walk, and a lighting ceremony to honor peace leaders. The goal of Peace Week was to promote peace values, engage the community, and provide a platform for dialogue on the importance of peaceful coexistence in today's world.

Event Overview

- **Event Name:** Peace Week
- **Dates:** 24th to 27th September 2024
- **Organized By:** Art & Culture Society, IMSciences
- **Venue:** IMSciences Campus

Planned Activities

1. Seminar on Peace

On **25th September**, a seminar on peace was conducted, featuring two distinguished guest speakers: **Scholar Hayat Roghani** and **Dr. Asfandyar Marwat**, a well-known academic. The seminar provided insightful discussions on the importance of peace, conflict resolution, and tolerance. The speakers shared their perspectives on how societies can build and sustain peaceful environments in the modern world, with a particular focus on promoting harmony in diverse cultural and social contexts.

2. Peace Exhibition

The Peace Exhibition, which opened on **24th September** and ran throughout the event, was a showcase of art, photography, and literature reflecting themes of peace, justice, and human rights. Contributions were made by students, faculty, and invited artists. The exhibition served as a platform for artistic expression, encouraging attendees to reflect on the importance of peace through creative interpretations of unity, love, and human dignity.

3. Peace Walk

A symbolic peace walk took place on **26th September**, where students, faculty, and staff walked from the IMSciences Main Gate to the auditorium. Participants carried banners, placards, and peace symbols representing unity, love, and harmony. This walk was a visible demonstration of the IMSciences community's commitment to the values of peace and togetherness. The walk also allowed participants to engage with the theme of peace in a symbolic and participatory way, fostering a collective sense of purpose.

4. Lighting Ceremony

The event concluded on **27th September** with a solemn **Lighting Ceremony** to honor renowned national and international peace leaders. Candles were lit in remembrance of their contributions to the cause of peace, and a moment of silence was observed. This ceremony was followed by a brief speech that acknowledged the impact of these leaders in promoting peace and justice across the world.

Target Audience

The primary audience for this event included:

- IMSciences Students
- Faculty and Staff

Conclusion

Peace Week was a resounding success in engaging the IMSciences community in conversations about peace and its critical role in today's society. The combination of academic discussions, artistic expression, and symbolic actions like the peace walk and lighting ceremony made this event a meaningful platform for fostering unity and promoting the values of peace. It is hoped that the event will inspire ongoing dialogue and initiatives to further the cause of peaceful coexistence both on campus and beyond.
