

Stakeholder Consultation Workshop was held at IMSciences on April 22, 2024

IMSciences Peshawar was honored to host the Stakeholder Consultation Workshop, organized by the British Council under the TVET Sector Support Program and funded by the European Union (EU). The workshop took place on July 30, 2024, and brought together a diverse group of stakeholders from academia, the IT industry, KP TEVTA, KP IT Board, NAVTTC, GIZ, and various government departments.

The consultation workshop served as a crucial platform for collaborative dialogue, addressing key issues and exploring innovative solutions within the IT sector and technical education. Participants engaged in meaningful discussions aimed at enhancing industry-academia linkages and shaping the future of vocational training and technological advancement.

Mr. Abdul Karim Tordher, Special Assistant to the Chief Minister for Industries & Commerce and Technical Education, graced the event as the Chief Guest. His presence underscored the significance of the workshop and highlighted the ongoing commitment to strengthening the sector through strategic partnerships and informed policymaking.
