

## **Report: IMSciences Art & Culture and the Debating Societies Recognized at the Future Youth Conference**

The Art & Culture Society and the Debating Society of IMSciences were proudly selected as outreach partners for the prestigious Future Youth Conference held at the Governor's House. This significant achievement highlights the exceptional talent and dedication of the student bodies at IMSciences in fostering creativity, dialogue, and leadership among youth.

The leads of the two societies, Hussain Ahmad (BBA, Semester 7th), Shehroz Hayat (Software Engineering, Semester 3rd), and Mamoon Ahmad (BS Accounting & Finance, Semester 5th), were honored with the *Youth Leadership Certificate* by the Honourable Governor Faisal Kareem Kundi for their outstanding contributions to the success of the conference. Their efforts in promoting meaningful engagement and organizing impactful outreach initiatives were instrumental in the event's success.

This recognition serves as a testament to the commitment of IMSciences to empowering students and cultivating leaders who contribute positively to society.
