BIC IMSciences hosted the Graduation Ceremony for the Start-Up Support & Entrepreneurship Skills Training program for DAFI Scholars

BIC IMSciences hosted the Graduation Ceremony for the Start-Up Support & Entrepreneurship Skills Training program for DAFI Scholars, celebrating Afghan refugee youth who completed this transformative program.

The event showcased stalls by scholars featuring innovative products and ventures. Formal proceedings began with recitation, the National Anthem, and a welcome by Prof. Dr. Usman Ghani, Director IMSciences.

Dr. Qazi Waheed, Coordinator BIC, shared program milestones, while inspiring addresses were delivered by Mr. Muhammad Riaz & Mr. Sorab Altaf (UNHCR), Mr. Arshad Rashid (PPAF), and Mr. Amaad (IDEA). Shields were awarded to guests and mentors while certificates, and cheques were awarded to 30 graduating scholars.

Chief Guest Mr. Shakeel Muhammad Khan Safi, Commissioner for Afghan Refugees KP, lauded the initiative as a step toward refugee self-reliance and praised IMSciences for supporting Afghan students.

This program was funded by UNHCR, led by PPAF in collaboration with IMSciences and IDEA.
