

## **IMSciences at the EducationUSA U.S. University Fair 2025**

The Office of Academic Linkages and Exchange Programs (ALEP) at IMSciences participated in the U.S. University Fair 2025, held on February 23 at Marriott Hotel, Islamabad. Represented by Mr. Sikandar Tangi (Coordinator, ALEP) and Ms. Sayyeda Hoor Khisro (Office Intern, ALEP), the team engaged in insightful discussions with representatives from 18 renowned U.S. universities and Fulbright alumni to strengthen IMSciences' internationalization strategy.

The event provided a valuable platform to:

- Introduce IMSciences to U.S. institutions.
- Explore academic partnerships and collaborations.
- Gain insights into student exchange and scholarship opportunities.

Through these strategic engagements, IMSciences continues to expand global opportunities for students and faculty, fostering international collaborations that enhance academic excellence.
