

Press Release

The Career Development Center (CDC), IMSciences, hosted a team from National Foods Pakistan Head Office, Karachi, for a one-day interactive session, followed by mock interview mentoring sessions with final-semester students.

Mr. Osama Akhtar, Mr. Ahsan Ateeq, and Mr. Muhammad Faisal from National Foods visited IMSciences to brief students about the MTO Program application process. Mentoring sessions were held where students' resumes were reviewed, and continuous feedback was provided. The students also participated in various interactive activities and stall games organized by NF officials. Director IMSciences, Prof. Dr. Usman Ghani, Dr. Fahad Abdullah, Dr. Shah Wali and Mr. Asad Ashfaq, Head of CDC IMSciences, welcomed the guests and thanked them for their visit.
