

January 27th 2025

Orientation Session for Undergraduate Programs (Spring 2025)

The Orientation Session for the Undergraduate Programs (Spring 2025) was held on January 27, 2025, at IMSciences. The newly inducted students across various undergraduate programs were warmly welcomed by the Director IMSciences, Prof. Dr. Usman Ghani. During his address, he highlighted and emphasized the core values of IMSciences.

The session continued with a briefing by Mr. Asad Ashfaq (Head of the Career Development Center), who provided insights on career guidance, the Startup Society, and the importance of being a vigilant and proactive student.

Mr. Wajeeh ul Hassan (Controller of Examinations) shared detailed information on the examination and semester policies, followed by a speech from Mr. Waqar Ahmad (Deputy Director), who elaborated on the general rules and regulations for students.
