

Campus drive for KO Trainee Program and Summer Internship Program at IM | Sciences

The Career Development Center IM | Sciences successfully organized a one day campus drive for the **KO Trainee Program and Summer Internship Program** on May 9th, 2014. For this purpose the Coca Cola Team from Lahore and Islamabad visited the institute to deliver an introductory session on their up-coming opportunities for under-graduate, graduates and post graduate students. The session was delivered by Mr. Osama Hasan (Talent Acquisition Specialist) accompanied by Ms. Ambreen Jalil the HR specialist at Peshawar and former student of IM | Sciences and Mr. Muzammil Orakzai KO Trainee in Islamabad who is also a former student of the institute.

The “KO Trainee Program” of Coca-Cola Beverages Pakistan Limited prepares top talent for management-level roles in their organization. It is a great opportunity to benefit from a structured career track within Supply Chain, Sales and Sales Services, Marketing, Business Systems Group (IT), Human Resources, Finance, Legal, Audit, or External Affairs. It is a one-year program, during which students will experience rotations in real roles across functions, giving them the opportunity to take genuine responsibilities and have an impact on the business from day one. Their summer internship program titled “Summer at CCBPL” allows students to see what Coca-Cola is all about. Being an intern at Coca-Cola the students get exposure to real projects and challenges in a vibrant environment and gain real world experience.

The session was highly interactive and motivational for the participants. A total of 118 students participated in the session. The Coca-Cola team found the students highly informed and talented and encouraged them to bring forward their talents through such platforms. Two of IM | Sciences alumni; Ms. Ambreen Jalil and Mr. Muzammil Orakzai who are now working at Coca-Cola, shared their success stories with the participants for their motivation. A photo booth was set up for the students to develop interest in the event. Free products were also distributed by the Coca-Cola team among the participants of the session.

Ms. Ambreen Jalil sharing her journey and experience at Coca-Cola

Mr. Muzammil Orakzai sharing his journey and experience at Coca-Cola
