INSTITUTE OF MANAGEMENT SCIENCES, PESHAWAR
SEMESTER RULES 2017

1. SHORT TITLE COMMENCEMENT AND APPLICATION

- i. These rules shall be called the Institute of Management Sciences, Peshawar Semester Rules-2017.
- ii. These rules shall come into force with immediate effect.
- iii. These rules shall be applicable to all degree programs offered by Institute of Management Sciences, Peshawar under semester system.

2. DEFINITION

- i. “Institute” means Institute of Management Sciences, Peshawar.
- ii. “Director” means Director of the Institute.
- iii. “Joint Director” means Joint Director of the Institute.
- iv. “Program Coordinator” means a faculty member of the Institute who has been assigned the duty of coordinating academic activities of that degree program, by the Director of the Institute.
- v. “Academic Program” means a program of studies which leads to the award of degree to the students in that program upon successful completion of all its requirements.
- vi. “Course” means a regular / full time course of study leading to the partial / successful completion of the program, as the case may be.
- vii. “Grade Point Average (GPA)” means the semester grade points earned in a semester or in the course of study divided by total number of credit hours.
- viii. Cumulative Grade Point Average (CGPA) is the summation of semester grade points (GPAs) of all semesters including thesis divided by the total number of credit hours taken by a student.
- ix. Admission Committee means a committee appointed for the purposes of interviewing, examining and selecting candidates for admission who qualify the prescribed eligibility criteria for admission.
- x. “Unfair Means Committee” means a committee constituted under these rules
- xi. “Semester Committee” means a committee constituted under these rules.

3. ACADEMIC YEAR / SESSION

The academic year / session shall comprise of two regular semesters and an optional summer semester.

- i. Fall semester shall normally start from August/September and will last till January.
- ii. Spring semester shall normally start from January/February and last till May/ June.
- iii. A summer semester of 8 weeks duration may be offered during summer vacations i-e June to August, in special circumstances. The contact hours in summer semester may be doubled to ensure that the course is completely taught during the summer session.

4. DURATION OF SEMESTER

- i. Each semester shall be of 18 weeks duration; out of which 16 weeks shall be reserved for teaching, and 2 weeks for examinations.
- ii. There shall be a “teaching break” to be called “Semester Break” of 1 week after every semester; this break shall be used for preparation/ submission of result and admission / registration processes of next semester.
- iii. There shall be two examinations in one semester i-e Mid Term (8 weeks teaching +9th week for examination) and Final Term (8 weeks of teaching +18th week of examination).
- iv. There shall be 100% lecture delivery for considering a semester as a valid semester.
- iv. However, if under some exigency the teaching in the Institute is suspended, the requirement of 100% could be brought to 14 teaching weeks upon the recommendation of Semester Committee, which shall be approved by the Director of the Institute.

5. ACADEMIC CALENDAR

The Institute will publish a schedule of complete academic year, including fall and spring semester for the convenience of the students, staff and faculty members. The calendar will include the following information.

- Semester starting date
- Holidays during the semester

9. ATTENDANCE

- i. Every student of the Institute is required to maintain at least 80% of the attendance in each course. A student who fails to meet the minimum requirements of attendance in any course will not be allowed to take final examination for that course.
- ii. In courses with Lab, every student studying such course is required to maintain at least 80% of the attendance in lab and 80% in class room, separately. A student who fails to meet the minimum requirements of attendance, either in Lab or in classroom, he/she shall not be allowed to take final examination for that course.
- iii. The 20% margin of absence from the classes is reserved for an illness case or other unavoidable circumstances falling under the Acts of God / Force Majeure.
- iv. Attendance in academic events, such as seminar, lab work, workshop or a skills development program, may be adjusted to cover the shortage in a given course. It is the responsibility of the students to constantly monitor their attendance level.
- v. Students who fail to meet the required attendance level shall not be allowed to appear in the final-term exam. However, the subject shall be considered a failure due to attendance shortage and it shall not be graded as 'F' in the transcript. Instead, it shall be shown as 'XF'.
- vi. 'XF' shall only be cleared by repetition of the course whenever offered.
- vii. 'XF' shall not be counted in the calculation of GPA/CGPA.

10. CHANGE OF COURSE

A student, with the permission of relevant Coordinators may be allowed to change elective courses within 14 days of the commencement of a semester. No change of course shall be allowed after 14 days' time limit.

11. CHANGE OF PROGRAM

A change in a program may be allowed to the newly admitted students by the Admission Coordinator within 14 days of the commencement of a semester, subject to the availability of seats/merit in the program. No change of program shall be allowed after 14 days' time limit.

12. REPEATING COURSES

- i. If a student is not allowed to take the examination of any course due to shortage of attendance or on failing a course, he/ she shall be required to register himself / herself in that course whenever offered again, attend the classes regularly and reappear in examination.

- ii. The credit hours of repeating courses shall be considered for the purpose of calculating maximum semester workload of the student.
- iii. In case a student repeats the course which has already been taken, the old grade will be substituted with the new grade, but in case takes a new course in lieu of the course in which he / she failed, both the grade will reflect in his transcript i-e old course grade and new course grade.

13. IMPROVEMENT OF GRADES

- i. A student willing to improve his/her grade(s) from C or C+, in selected course(s) may be allowed, only once in a course, by the Semester Committee upon recommendation of Controller of Examinations provided the course(s) they intend to improve is/are offered.
- ii. Such improvement shall be allowed upon the payment of prescribed repeat course fees.
- iii. On improving subject, if one gets the grade less than the previous, the previous grade will be counted towards his passing CGPA.
- iv. The minimum attendance will be mandatory for the student in the course(s) for which he/she has registered for improvement of grades.
- v. Student(s) may apply for improvement of grades within a maximum time of the degree. In case of improvement in score, revised transcript and degree shall be issued showing old and new scores. However, if the score does not improve, the old transcript and degree shall remain valid.

14. ADDITIONAL SPECIALIZATION

- i. Students willing to take an additional specialization may enroll themselves for the required electives as and when the courses are offered in a regular semester.
- ii. Additional specializations will be offered only under the “regular program scheme”. However, special semester may be arranged upon the recommendation of the Semester Committee.
- iii. Additional specialization will be based on 1 year (2 semesters)
- iv. Only those students of the Institute will be eligible to apply for an additional specialization whose minimum CGPA is 3.5 in BBA, BCS, BS-SE and MBA.
- v. The Institute will not offer more than one specialization to a student at a time.
- vi. The institute will not issue any separate degree for additional specialization. However, a separate transcript and certificate will be issued for the additional specialization.

15. SEMESTER FREEZING

A student may be allowed to freeze a program if he / she is not able to continue under Force Majeure. However, this option can only be exercised subject to the following conditions:

- i. Semester freezing will be granted by the Semester Committee upon recommendation of the program coordinator in response to the request made by the student with cogent and plausible reasons.
- ii. If a student freezes a semester, he/ she will resume his studies from the same stage where he/she left (froze).
- iii. The maximum duration of the degree program as stipulated in these rules shall remain the same.
- iv. Freeze semester shall be counted towards the duration of the program.
- v. The option of semester freezing will only be exercised after the completion of first semester.
- vi. The students on probation are not eligible for freezing of programs.
- vii. Student(s) will not be charged any semester/course(s) fee if the application for semester freezing is received before the start of mid-term examination; in case(s) where application for semester freezing is received after the start of mid-term examination, then full semester/course(s) fee will be charged.

16. SEMESTER REGISTRATION

After the completion of the final term examinations of the semester, one week semester break is given to the students wherein they are required to register themselves for the forthcoming semester.

The students are required to fill up their registration form and submit the same in their respective program offices along with the bank receipt for payment of fees. The attendance of the students, who fail to do semester registration, will not be marked.

17. TRANSFER OF CREDIT HOURS

The admission to any degree program of the Institute through transfer of credit hours from other Institute / University shall not be allowed under any circumstances. (The Clause-17 has been repealed. Migration Policy of the Institute has been introduced vide notification No. IMSciences/Exams/AC-16/2023/1167 dated September 12, 2023. The policy is available on website of the Institute: <https://imsciences.edu.pk/files/Downloads/Migration%20PolicyIMSPeshawar.pdf>).

18. GPA REQUIREMENT/PROBATION

- i. Students must maintain a minimum CGPA of 2.2 on a cumulative basis during the course of their academic program. Student with a CGPA of less than 2.0 shall be dropped from the rolls of the Institute forthwith.
- ii. Students securing a CGPA between 2.0 and 2.2 will be on probation for one semester;
- iii. At the end of the semester, the students on probation shall be required to improve their CGPA to a minimum of 2.2. If a student on probation does not show an improvement, or his /her CGPA is below 2, the studies of the student shall be detained at that level.
- iv. The one-time detention shall be applicable to all semesters after the 2nd semester.
- v. The maximum duration for Detention in Studies shall be one year.
- vi. During the period of detention, the student shall be required to study the failed courses with the following batch and achieve CGPA of 2.2. However, if the student fails to achieve CGPA of 2.2 after availing one-time detention, he/she shall be dropped out from the Institute's rolls, and no further detention will be allowed. Provided that, if the student(s) has not availed probation previously and after availing detention falls between 2.0 and 2.2, he/she shall be dealt with probation rules i.e. At the end of the semester, the students on probation shall be required to improve their CGPA to a minimum of 2.2. If a student on probation shows an improvement, but his / her CGPA is still below 2.2, his/her probation may be extended to another semester. In case no improvement is shown in CGPA, the student will be dropped out from the Institute rolls and no further probation will be given.
- vii. If a student fails certain courses but manages to maintain the required CGPA, he she may be allowed to repeat and clear the course(s) or substitute, wherever permissible, before the degree is awarded.

19. REQUIREMENTS FOR PROMOTION IN UNDERGRADUATE PROGRAMS

In addition to section 19 the following conditions shall apply for promotion in first and second semesters of the undergraduate programs:

Sr. No	Promotion to	Condition
1.	2 nd Semester	If a student's GPA falls below 2.0, but passes 50% of the courses, he / she will be promoted (conditionally) to the 2nd semester and will be put on

		first probation for the next semester;
2.	3 rd Semester	<p>If a student again secures less than 2.0 CGPA in the 2nd semester but passes 50% of the courses, s/he shall be promoted (conditionally) to the 3rd semester (upon the condition enumerated below) and will be put on last probation;</p> <p>The student of 2nd semester on last probation shall be required to repeat up to 3 courses in the next immediate Summer Semester to improve his CGPA to 2.2. If s/he does not improve her/his CGPA to 2.2, s/he studies shall be detained at that level. Subsequently, his studies shall be dealt on the mechanism elaborated in clause-18(iii).</p> <p>Note: <i>However, there must be at least 10 (ten) students for a repeat course to be offered in a Summer Semester or as may be decided by the Semester Committee.</i></p>

20. DEGREE PROGRAMMES & DURATIONS

- i. The duration and credit hours requirement of various degree program is tabulated as under:

Master/MPH/MPA	16	2 years	4 years	60-66
MBA 1½ years	17½	1½ years	4 years	30
MBA 3½ years	17½	3½ years	6 years	90
M.S (all programs) 1½ years	17½	1½ years	4 years	30
Ph.D.	21	3 years	8 years	54

- ii. All degree programs must be completed within the time period laid down above.

Note:

- *Maximum duration implies the compensation for time lost due to unavoidable circumstances.*
- *Total duration for completion of PhD degree is eight years, however, after completion of six years, approval of Director shall be required.*

COURSE LOAD FOR FALL AND SPRING SEMESTERS

Undergraduate Students

A student normally enrolls for 15-18 credit hours in a regular semester. Undergraduate students must take at least 15 credit hours in a regular semester to be classified as a full-time student. A student who wishes to enroll for more than 18 credit hours may be allowed by the Institute to take one extra course of 3 credit hours in case of repeating /failed/dropped courses.

MS/MPhil students

A student normally enrolls for 9-12 credit hours in a regular semester. A graduate student must take at least 9 credit hours in a regular semester to be classified as a full-time student.

The Institute may formulate specific policies for allowing a student to take extra courses in a semester depending on unique circumstances of the students.

21. GRADING SYSTEM

- i. The grading shall be done on a scale of 0-4.
- ii. Equivalence between letter grading and Numerical grading shall be as follow:

Grade	Marks (%)	Grade Point	Remarks
A+	91-100	4.0	Outstanding
A	87-90	4.0	Excellent
B+	80-86	3.5	V. good
B	72-79	3.0	Good
C+	66-71	2.5	Satisfactory
C	60-65	2.0	Pass
F	Below 60	0.0	Fail

- i. Fraction of marks obtained in a course shall be counted as one mark, e.g. 60.3 shall be considered as 60 while 59.5 or more is to be considered as 60.
- ii. Grade Point Average (GPA) is an expression for the average performance of the student in the courses he/she has taken during any semester, thus GPA may be

calculated for 1st semester, 2nd or any other semester.

- iii. GPA shall be rounded to 2 decimal places, e.g. a GPA of 3.084285 shall be reported as 3.08, while a GPA of 3.065124 shall be reported as 3.07.
- iv. A student shall be awarded incomplete grade represented by “I” in the following cases:
 - a. If a student fails to complete any assignment, term paper or presentation assigned to him by the teacher for the purpose of internal assessment.
 - b. In case a student is unable to appear in part or whole of the mid or final term examination of semester on medical grounds or circumstances beyond the control of student to be determined by the program coordinator, provided that he/ she fulfills the condition of having attended the prescribed number of lectures.
- v. If a student fails a course he will be awarded “F” for failure in a given course grade representing he/she has failed the course in that semester. He/she will repeat the failed course whenever offered again. In case he/she passes the same in subsequent semester it will be signified by “RPT” showing that it is a repeated course passed later on.
- vi. It shall be mandatory for a student to pass both written and viva of a research project at all levels where research project is opted for degree completion.

22. EVALUATION

The students’ performance would be evaluated through subjective and objective methods including quizzes, presentations (individual and group), group discussions, case studies and project assignments/lab reports in addition to mid-term and final examinations.

These assessment marks (to be determined by the faculty member concerned) will have different weightage contributing towards the overall assessment in percentage marks. This weightage will be determined on the basis of the following guidelines:

Quizzes/Presentations/Assignments/Practical etc	20%
Mid-Term Examination	30%
Final Examinations	50%

In courses with lab, students’ performance shall be evaluated by giving 30% weightage to their performance in Lab and 70 % weight age to their performance in theory. This weightage of 30% in Lab shall be determined on the basis of following guidelines.

Quizzes/Presentations/Assignments/Practical etc	10%
Mid-Term Examination	10%
Final Examinations	10%

Whereas, the weightage of 70% in theory shall be determined on the basis of following guidelines.

Quizzes/Presentations/Assignments/Practical etc	10%
Mid-Term Examination	20%
Final Examinations	40%

23. COMPUTATION OF SEMESTER GPA AND CGPA

Semester Grade Point Average (GPA) and Cumulative Grade Point Average (CGPA) will be calculated using the following formulas:

$$\text{GPA} = \frac{\text{Sum of Courses In Semester (Course Credit Hours * Grade Point Earned)}}{\text{Total Semester Credit Hours}}$$

$$\text{CGPA} = \frac{\text{Sum Over all Taken Courses In all Semesters (Course Credit Hours * Grade Point Earned)}}{\text{Total Credit Hours Taken in All Semesters}}$$

Note: For project Dissertation, the evaluation of a student will be based on:

- *Project Report/ Dissertation submitted by the student*
- *Performance in viva voce*

24. CGPA REQUIRED FOR THE AWARD OF BA/BS/BSc/BCS/BBS/MBA/MSc, MS & PhD DEGREE

Minimum requirement for the award of BBA/BS/BSc/BCS/BBS/MBA/MSc and MS degrees shall be a CGPA of 2.2 and 2.5 respectively.

In order to continue research at PhD level, a candidate must secure a CGPA of 3.0; however, CGPA of 2.5 is required in order to qualify a course. The evaluation procedure and the computation of CGPA shall be done according to procedures adopted for other programs by the Institute. If a student fails to obtain a qualifying CGPA, he /she shall be allowed to improve the CGPA by taking additional course.

25. MAKE UP EXAMINATION

- i. No make-up / re-take examination shall be allowed in case where a student falls short of the required level of attendance or he / she fails the course. In such cases, the student shall repeat the course.

- ii. Make-up examination may however be allowed on case to case basis in the following circumstances subject(always) to the satisfaction of the Institute:
 - a. A student gets seriously ill / hospitalized due to such illness or road accident or an act of terrorism or any other unavoidable incidence that is beyond his/her control. In such a case production of medical certificate and any other relevant document shall be necessary to the satisfaction of the Institute. Provided that in such a situation the Institute shall be informed immediately.
 - b. In case of death of parents, spouse, children of the student or his/ her sibling.

26. PROCEDURE FOR MAKE UP EXAMINATION

- i. Under the conditions mentioned in rule (26), a student will register himself/ herself for make- up examination with the Examination Office of the Institute on case to case basis subject (always) to the satisfaction of the Institute (Semester Committee). No student will be automatically allowed to appear in make-up examination. The following procedure will apply:
 - a. The student concerned will pay a fee as may be prescribed for appearing in the make-up examination.
 - b. Make-up examination will regularly be arranged within four weeks from the date of commencement of the midterm or final term examination as the case may be.
 - c. Students, who may not be able to appear in the make-up examination due to unavoidable circumstances, may opt for freezing their semester. Such option will be given in writing before the commencement of the make-up examination failing which the student concerned will be deemed to have failed the make-up examination.

27. CONDUCT OF EXAMINATION

- i. Schedule of examination (Date Sheet) for mid-term and final-term examinations shall be notified at least two weeks before the commencement of respective examinations.
- ii. Every course teacher shall submit printed / sealed question paper to the Controller of Examinations at least two working days before the scheduled date of his/her paper.
- iii. The concerned staff (Conduction) of Examinations Section shall make necessary arrangements for the conduct of examinations including acquisition of stationary (answer books) from the Controller of Examinations office, seating arrangement, photocopying of question paper in required number, notification of duty roster for teaching and non-teaching staff.

S/he will be allowed 45 minutes (maximum) extra time to solve the question paper. Qualification of the writer involved thereof must be at least one step lower than that of the student applying for engaging the writer. The writer so engaged must be a student or employee of the Institute.

43. SAVING CLAUSE

Everything done, decision made, action taken, obligations and liability incurred before the enactment of these rules shall be deemed to have been done, made, taken and incurred under these rules and shall be considered valid.

44. REMOVAL OF DIFFICULTIES

If any difficulty arises in giving effect to any of the provision of these Rules, the Director may, on the recommendations of the Semester Committee, give such direction, not inconsistent with any of provisions of these Rules, as he may consider necessary for the removal of such difficulty.

Course Syllabus Preparation Checklist

1. Course Code & Title: The title should be the same as is reflected on the student's transcript.
2. Instructor's information including name and contact info, e.g., email address, office location.
3. Office Contact Hours: Specify one hour per group per course so that students may utilize it for out of class contact. These hours may be specified after consultation with students in the first class meeting/lecture. These hours should also be communicated to the respective Program Coordinator for onward submission to the Office of Joint Director and the Office of Quality Enhancement (QE).
4. Course Description: Describe what is in the course for students. Restrict this part to 75 words.
5. Student Learning Outcomes (SLOs): These are transitive statements about what the students will be able to; know, do, and/or develop, as a result of undergoing the course. At least 5 SLOs are expected for one course. SLOs for a course taught by different instructors should be similar. Mutual consultation among instructors under the guidance of respective Program Coordinator is suggested.
6. Methodology: Describe how students will achieve the above mentioned SLOs. Briefly state the teaching approaches/activities to be adopted to help students achieve SLOs.
7. Course Resources: Specify the textbook that will be followed. Mention other reference material that may help aid achievement of SLOs.
8. Student Assessment: Describe how achievement of SLOs will be assessed, e.g., quizzes, assignments, exams, etc.
9. Student Behavior: Describe what behavior is expected of students, e.g., use of laptops during lectures, participation, late arrivals, academic integrity, etc.
10. Lecture Schedule: Outline lecture-wise distribution of the course contents specifying required reading(s). Due dates for submission of assignments should also be indicated.

Helpful Consideration:

- Alignment of SLOs, methodology and assessment can help create a learning-centered syllabus for our students.
