## Minutes of Procurement Committee Meeting for the (Maintenance and repair of Air Conditions etc)

Bid opening meeting of the Procurement Committee was held on August 24, 2021 at 11:45AM in the Basement Board Room, at the RSB Building of the Institute, with reference to the Tender Notice for Maintenance and repair of Air Conditions etc, published on KPPRA (S.No 14345) & Institute web sites on August 04, 2021. The Institute adopted single stage single envelope method for the tender.

Two firms participated in the bidding process. The Committee opened and announced the bids of the participant firms in presence of their authorized representatives. Detail of the bids received is given below.

S#	Name of the Bidder	Bid Cost (PKR)	Financial Bid Position	Deficiencies
1	M/S REAL Engineering Services.	2,375,075	2 <sup>nd</sup>	None
2	M/S MAKK Enterprise.	2,266,830	1 <sup>st</sup> Lowest	Non-Responsive on account of not meeting the mandatory requirement of registration with Pakistan Engineering Council (PEC)

The procurement committees evaluated and scrutinized both the bids and declared the bid of M/S MAKK Enterprise as non-responsive for non submission of mandatory document of registration with Pakistan Engineering Council. The Committee discussed the rates of M/S REAL Engineering Services and after detailed discussion unanimously recommended the following.

### Decision:

The Committee recommended **M/S REAL Engineering Services** for the Maintenance and Repair of Air Conditions at a total cost of **Rs. 2,375,075/-** on terms & conditions mentioned in the tender document.
