Grand Youth Dialogue by SRSP at Marriott Hotel Islamabad (November 2024)

Prof. Dr. Usman Ghani (Director IMSciences) and Mr. Asad Ashfaq (Head of the Career Development Center, IMSciences), along with six students from the Kurram and Orakzai districts, participated in the Grand Youth Dialogue organized by UNDP and SRSP, funded by the Government of Japan, at the Marriott Hotel in Islamabad.

IMSciences Students Collaborate with SBP to Empower Women Entrepreneurs (November 2024)

IMSciences students, as Ambassadors of the State Bank of Pakistan, played an integral role in organizing the “Women’s Entrepreneurs Day” event at SBP. The event brought together key stakeholders from the banking sector, academia, and women-led SMEs to engage in insightful discussions on enhancing financial access and support for women entrepreneurs.

The event’s primary focus was on promoting women’s financial literacy, supporting, encouraging, and educating them on managing funds effectively. And state bank role involved assisting women in accessing funds from banks to enhance their startups.

Promoting Women’s Financial Awareness: State Bank of Pakistan and CDC IMSciences Host Financial Literacy Seminar (November 2024)

The Financial Literacy seminar, organized by the State Bank of Pakistan in collaboration with CDC IMSciences at the Institute of Management Sciences, Peshawar, aimed to raise awareness about financial literacy, particularly among women. The first speaker, Imran Khan, highlighted the State Bank’s efforts to financially educate women and create opportunities for their empowerment. The second speaker, Arbab Sarfaraz Khan, representing Habib Bank Limited, provided insights into the bank’s financial products and promoted HBL Nisa, a product tailored for women. The seminar concluded with an interactive question-and-answer session, allowing the audience to gain further clarity on financial topics.

IMSciences Students Lead the Way at the Inaugural Youth Policy and Advocacy Dialogue (November 2024)

Students from the BS Social Sciences and Economics programs represented IMSciences at the first-ever Youth Policy and Advocacy Dialogue (YPAD), held at the Directorate of Youth Affairs in Peshawar, in collaboration with the UNFPA and the School of Leadership Foundation.

This flagship event aimed to empower Pakistan's youth in the policy-making process, providing a platform to voice concerns, identify gaps, and propose actionable solutions for more inclusive governance. Through insightful discussions with panelists and policymakers, our students gained hands-on experience in advocating for sustainable policies that truly reflects the needs and perspectives of the KP youth.

CDC IMSciences Team Showcases Opportunities at Future World School University Fair (November 2024)

A team of students from the Career Development Center (CDC IMSciences) participated in the University Fair organized by the Future World School DHA Peshawar. During the event, the students shared insights

about campus life, provided information on scholarship opportunities, and highlighted various undergraduate programs available at IMSciences.

Their engagement not only showcased the vibrant community at IMSciences but also helped prospective students explore pathways for their academic and professional futures. The students' enthusiasm and knowledge contributed significantly to the fair, fostering valuable connections with attendees.

CDC IMSciences Team Engages Future Leaders at Beaconhouse Career Fair (October 2024)

A team of students from the Career Development Center (CDC IMSciences) participated in the Career Fair organized by the Beaconhouse School System at the FC Campus in Peshawar. During the event, the students shared insights about campus life, provided information on scholarship opportunities, and highlighted various undergraduate programs available at IMSciences.

Their engagement not only showcased the vibrant community at IMSciences but also helped prospective students explore pathways for their academic and professional futures. The students' enthusiasm and knowledge contributed significantly to the fair, fostering valuable connections with attendees.

CDC IMSciences Hosts UNDP Career Orientation Session for Final Year Students (October 2024)

The Career Development Center (CDC IMSciences), in collaboration with UNDP Pakistan, arranged a one-day session on Careers in UNDP for the final year students of IMSciences Batch 2025. Mr. Farman, the HR Head of UNDP Pakistan, provided a detailed orientation on how to apply for UNDP jobs and the overall hiring process. He shared tips and tricks for successfully navigating the stages of the induction. A comprehensive Q&A session was held at the end, during which students raised various questions about the hiring process. Prof. Dr. Usman Ghani, Director of IMSciences, delivered closing remarks, thanking all the speakers for their participation and presenting a shield souvenir.

CDC IMSciences Hosts Panel Session on Real Estate Market Strategies for BBA Marketing Students (October 2024)

The Career Development Center (CDC) at IMSciences organized a panel session for final-year BBA Marketing students on the topic, "The Real Estate Market in the 21st Century and How to Develop Market Strategies for the Real Estate Sector." CDC IMSciences invited our esteemed alumni, Mr. Sajjid Khan Salar (Graana), Mr. Saqib ur Rehman (Agency21), and Mr. Hussain Ahmad Khan (WestBridge), to

engage with the students on current real estate trends and share insights on becoming successful professionals in the field.

CDC IMSciences Hosts Inspiring Session on "Growth Mindset" with Renowned Tech CEO (October 2024)

The Career Development Center (CDC) IMSciences organized a one-day session on "Growth Mindset" on October 14, 2024. Mr. Usman Sharif, a seasoned Tech CEO and Life Skills Trainer, was invited as the guest speaker. With over 17 years of experience in IT and a strong background in Islamic Education, Mr. Usman is the co-founder of Wisdom Explorers and the founder of Techvent Global.

The session was attended by more than 120 students from the BS English, BS Psychology, and BS Social Sciences programs. Mr. Usman engaged students in meaningful discussions about the importance of cultivating a growth mindset in both their personal and professional lives.

In his closing remarks, Mr. Asad Ashfaq, Head of the CDC at IMSciences, expressed his gratitude to Mr. Usman for his time, dedication, and valuable insights. The session concluded with a token of appreciation, as the Joint Director of IMSciences, Prof. Dr. Atta ur Rahman, presented a shield to Mr. Usman.

CDC IMSciences and British Council Pakistan Organize Mock IELTS Trial for Students (October 2024)

The Career Development Center (CDC) IMSciences, in collaboration with the British Council Pakistan, organized a Mock IELTS Trial. Over 100 students participated in the Listening, Writing, and Reading exams conducted by British Council officials.

IMSciences Marketing Students Explore DHA Peshawar for Future Collaboration (October 2024)

Marketing Students of Institute of Management Sciences Peshawar visited DHA Peshawar

The students of the Institute of Management Sciences Peshawar visited DHA Peshawar on 3 Oct 2024. DHA Peshawar officials briefed the students about various initiatives and facilities of DHA Peshawar. They toured key locations, including the Roots Millennium Future World School, Innovista Khyber Chapter coworking space and Adventure Arena park.

This visit was organized as an initiative by DHA Peshawar for future collaboration with IM Sciences and provided valuable insights into the community and offerings of DHA Peshawar.
