

INSTITUTE OF MANAGEMENT SCIENCES, PESHAWAR
DETAIL OF FUNDS GENERATED AND DISBURSED AS FINANCIAL AID / SCHOLARSHIPS
2021-2022

Scholarship Funding / Grants

IMSciences is continuously working with corporate sector, donors and development organizations to improve the living standards of local communities FATA, Khyber Pukhtunkhwa and the whole country at large, by providing financial aid opportunities. The aim of strengthening Institute in resource generation is to facilitate and meet the increased expectations of financially constrained but talented current and prospective students of the Institute, by eradicating poverty and unemployment and strategically align the resource generation facilities of the Institute with International universities, donors and development organizations.

IMSciences has funded a significant number of students who are facing financial constraints and are unable to continue their higher education. In session 2021-2022, 54 % of the total strength has been provided financial support worth Rs. 230.659/- Million, in 19 different need and merit based scholarship programs, interest free student loans, siblings fee rebate, work study programmes and global cultural exchange programmes. Total 1448 students have availed financial assistance under the following programmes on need and merit basis.
