

Blood donation camp by Shoukat Khanum on 4th february

Dear All,

We hope this message finds you well.

The *Health and Wellness Society* is arranging a Blood Donation Camp in collaboration with Shaukat Khanum Memorial Cancer Hospital & Research Center in Imsciences

Date: Tuesday, February 4th

Time: 9.00 am - 4:00 pm

Your selfless act of donating blood can be the gift of life for someone fighting cancer. Every drop counts, and every donor makes a difference!

As a token of appreciation, the following tests will be performed FREE of cost for all donors:

- Tests valued at PKR 20,000 - 30,000 outside

Don't miss this opportunity to give back to the community while also benefiting from these free medical tests!

Join us in this noble cause and help save lives. We look forward to your participation!

Following tests will be performed free of cost (which otherwise costs Rs. 30,000/-)

1. Blood group + Rh Type
2. CBC
3. Malarial Antigen
4. HBsAg
5. Anti HCV
6. Anti HIV
